

OUR GLOBAL FAMILY 2025

MISSIONS

Meet our SMCC Global Family

Shadow Mountain Community Church has over 200 missionaries serving the Lord in 36 countries in vastly distinct cultures and varied roles. Our missionaries use aviation, Bible translation, church planting, education, ESL, media, music ministry, support and member care, and youth ministry to reach hearts for Christ. Some serve in restricted countries, while others can share the Gospel and pursue the lost openly.

We hope you use this guide to pray for SMCC's missionaries with a measure of understanding and frequency. One way to do this could be by reading about a missionary daily with your family and praying for them. We also publish a monthly Prayer & Praise booklet listing prayer requests from each of our missionaries. To access our Prayer and Praise booklet, please visit www.shadowmountain.org and find the Missions page.

If you'd like to get to know our missionaries better, please feel welcome to contact them at the email address included along with their photos. For more details about our missionaries serving in restricted areas, please call or email the Missions Office for more information.
